

Support implementation of environmental management system according to ISO 14001

Curaçao, 2014 - 2015

Client info:

Name: Curaçao Ports Authority (CPA)

Sector: Transportation

Location: Curaçao

CPA is a government owned company responsible for the operation of all harbors. CPA has two subsidiaries: KTK Tugs and Curaçao Pilots Organization (CPO).

Rationale: CPA decided to introduce an environmental management system according to ISO14001 for all their locations and operations including their subsidiaries KTK and CPO .

Approach: EcoVision organised workshops for the entire CPA, KTK and CPO staff to introduce the system and to define environmental aspects. We set up an environmental aspect register including defining measures and methods to manage the aspects.

Outcome: CPA received their ISO 14001 certificate in June 2015.
