

Audit on behalf of Green Key programme at hotel on Curaçao

Curaçao, 2018

Client info:

Name: Green Key programme

Sector: Hospitality

Location: Curaçao

Green Key is a programme of the Foundation for Environmental Education (FEE), a non-profit foundation promoting sustainable development through education worldwide.

The Green Key programme offers an ecolabel for the hospitality industry. As of May 2018, 2800 establishments in 57 countries have been awarded the Green Key ecolabel.

Rationale: Green Key has asked EcoVision to perform an independent audit of their criteria guidelines at a hotel on Curaçao. This in order to determine if the hotel was eligible for recertification.

Approach: EcoVision carried out an audit on the 24th of April 2018. This included a field visit and paper audit. The audit results were discussed with the Green Key programme office in Denmark.

Outcome: An audit report was submitted to the Green Key programme.
